

*We welcome you on our journey to creating a more Sustainable and Efficient New Zealand*

**Hello NAME,**

**We welcome ORGANISATION/COMPANY on T8LED's journey to sustainability!**

Thank you for trusting us to retrofit your building with our LED products, this upgrade will allow you to see significant savings throughout this journey.

Please find enclosed the following:

- **T8LED Warning Sheet** – this must be read before installation/replacement of any lights in a building.
- **T8LED Stickers** –
  1. **T8 LED Tube Only** sticker to show that the lamp-holder and Fuse only holds LED tubes.
  2. **Regulatory Compliance Mark (RCM)** Sticker which shows our Responsible Supplier Number also: RSN#E6022.
  3. **Self-shielded Lamp & Warning** Sticker which shows that if the LEDs are to break, this will be shielded within the diffuser. This sticker will refer you to the Warning Sheet (stated above).
- **Building Assessment Report** – you would have received a PDF version of this document.
- **Business Card(s)** – You can refer us to your friends and use this as a quick contact option. Otherwise, please contact us via details below.
